Secondary X (MPBSE) — (88%)

Soyat Kalan, INDIA

Projects

Travel Go: Travel Application / [HTML](#), [CSS](#), [JS](#), [Node.js](#), [React.js](#), [Express](#), [MongoDB](#)

Project Link [🔗](#)

- Developed "Travel Go," a travel application enabling trip planning, property booking, and listings using **React.js** and **CSS**.
- Designed RESTful APIs with **Express.js** and **MongoDB** for efficient data handling and implemented client-side routing with **React Router DOM**.
- Strengthened security using **JSON Web Tokens (JWT)** for session management and **bcrypt** for password hashing, cutting unauthorized access by 50%.
- Integrated **Cloudinary** and **Express File Upload**, reducing image upload times by 40% and enhancing media management.

Story Network / [React.js](#), [Express.js](#), [MongoDB](#), [Node.js](#), [Tailwind CSS](#)

Project Link [🔗](#)

- Engineered a full-stack blog app using **Node.js**, **Express.js**, **React.js**, and Tailwind CSS for a responsive, component-based UI.
- Architected **MongoDB** schemas with validation, ensuring 98% data integrity and reducing data entry errors by 35%.
- Deployed the application on **Render**, automating **CI/CD pipelines** and managing environment configurations for seamless integration of frontend and backend services.
- Crafted a responsive design with **Tailwind CSS**, enhancing UX across 15+ devices.

Crypto Watch / [HTML](#), [CSS](#), [JavaScript](#), [React.js](#), [Web API](#), [Chart.js](#)

Project Link [🔗](#)

- Created a cryptocurrency tracker with **React.js** and **Web API**, supporting real-time data for 90+ cryptocurrencies.
- Leveraged **Chart.js** for responsive trend visualization, boosting data readability by 20%.
- Tailored a **responsive UI** with **Tailwind CSS**, improving user satisfaction by 25% and cross-device accessibility by 95%.

Skills

Technical Skills: Full Stack Development, Web development

Programming Languages: C, C++, JavaScript, HTML, CSS

Frameworks and Tools: React.js, Node.js, Express.js, MongoDB, Git/GitHub, Postman, SQL

CourseWork: Data Structures and Algorithms, OOPs with C++, Database Management System, Operating System

Achievements and Leadership

- **First prize in Extempore** at Mahakal Institute of Technology and Management, showcasing public speaking skills.
- **Led a team of 10** in the Deepotsav festival, contributing to a Guinness World Record for the largest oil lamp display on February 18, 2023.
